Montana Grand Assembly
International Order of the Rainbow for Girls
Media Release Form

Pictures of members, adult workers, parents and guests are taken for the purpose of promoting the International Order of the Rainbow for Girls via print and internet media such as the Montana Grand Assembly website, Rainbow newsletters, assembly scrapbooks, newspaper articles, promotional posters or brochures, and official IORG websites.

Most pictures are of group activities for the purpose of promoting the activities of the Rainbow Girls. Website posting may list caption identifying the activity, not the individuals. Full names or contact information of minors will not be posted on web sites.

The media release form shall serve as a general release allowing the Montana Grand Assembly, IORG, and any subordinate assembly to use your photo or your child's photo for Rainbow promotional purposes until notified in writing of a change in the release. Photos of Rainbow activities will be stored and kept for future use under these guidelines. Photos may be used without specific notification to those pictured in the photo.
