## A Word from Mama Huston

Congratulations to the newly appointed officers and representatives for 2020-2021. This will be a challenging year and your dedication and devotion to your Rainbow commitments will be even more important. Having a Grand Appointment carries with it responsibility, not only to your home Assembly but to all of your Rainbow sisters across the state. We don't know when we will be able to meet in person again, so Montana Rainbow is counting on each of you to do your part to maintain our Rainbow bonds during this time. Reach out to your Rainbow sisters, stay in contact with your Secret Sister, help your local Assembly with ideas for remote projects. If you have any suggestions for on-line Grand level events please share them with the GEC. The COVID-19 challenge is providing you with unique situations and opportunities to demonstrate your leadership capabilities. I know each of you will find a way to respond that will strengthen our Rainbow connections with each other. I'm excited to see what ideas you will have as we start our new Rainbow year.

Rainbow hugs,

Mama Huston

Greetings,

I enjoy the change of summer to fall, it reminds me of campfires and evening BBQ's. It's the time of year that people start to come together again, school starts and Rainbow meetings begin. I look forward to this new adventure as State Mother Advisor and meeting with you all in person again soon. I am so excited to see what this new Grand year will bring and how we can use technology to bring us closer.
